RECENT NEWS...

NATIONAL CO-OP STUDENT OF THE YEAR

Chris Gomes was selected as the National Co-op Student of the Year by the Cooperative Education and Experiential Division of the American Society of Engineering Education (ASEE). He is a Mechanical Engineering student who worked as a co-op at NASA. He was recognized at the Conference for Industry & Education Collaboration (CIEC) in February 2018 and presented with an award for this honor. Read more at http://ceed.asee.org/2018_Award_Winners.
